

LIAM TIMMS

Digital marketing & design

BIO

A digital design specialist and successful marketing executive renowned for being a problem-solver. Able to manage multiple websites & design projects, create engaging marketing collateral and work with agencies to the shortest of deadlines.

Always working with a cool head and calm demeanour. A natural at thinking on my feet.

AIM

For the past 6 years, I've worked in both B2B and B2C positions with a focus on digital and design. Now, I would like to take these honed skills and continue my career in digital marketing and development.

EDUCATION

University of Gloucestershire
B/A Honours Degree in Advertising - 2:2

Oxford & Cherwell Valley College
BTEC Nation Diploma in ICT – DMM

Wheatley Park Secondary School
GVNQ in IT – Distinction
6 GCSEs – grades B – C
